This is to discuss the community involvement plan for the proposed plan and we were hoping you can provide some history on what community involvement you have done in the past so we can better scope the CIP.

Works for me too, if need be. Is the topic something I need to be on for?

Thanks Shereen for being on the call today. I am available for most of tomorrow but looking at everyone's schedule the only time is very early. Maybe 8 tomorrow morning? Is that okay with everyone?

Thanks,

Josh
